FACTURING AN OPTICAL DISK

Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rule(s) 1.322.

Inspection of the application for the patent reveals, in connection with the alleged error pertaining to the removal of reference item "DE 4308680" from the Title page of the Letters Patent; removal of the reference item is not warranted and is therefore considered in accordance with the records in the Patent and Trademark Office. There being no fault on the part of the Patent and Trademark Office, it has no authority to issue certificate of correction under the provisions of 35 U.S.C. 254 and Rule 322 of the Rules of Practice of the United States Patent and Trademark Office in Patent Cases.

In view of the foregoing applicants request in this matter is hereby denied, however, a certificate of correction will issue to correct the remaining errors noted in applicants request.

Further correspondence concerning this matter should be filed and directed to Decisions & Certificate of Correction Branch. Any telephone inquiry concerning this communication should be directed to Ms. A. Green at (703) 308-9380 ext. 123.
